BORA multi drawer level-grid MSER, dishwasher-safe shelf rack
Dimension: 420 x 245 x 13 mm

In the case of the BORA multi-drawer MS290 / MSS290, the loading area can be extended using the shelf rack provided. The shelf rack is also suitable for dishes that should be heated at a lower temperature than those being kept warm on the BORA multi-drawer's heated glass base. The shelf rack can also be used to preheat crockery, whereas food can be heated at a higher temperature on the heated glass base. Up to 2 shelf racks can be used in the drawer at the same time.
