Placchetta di troppopieno a ribalta

Premontaggio della piletta

Premontaggio della piletta in fabbrica

Distributore - opzioni di montaggio

Posizione a scelta

sFlow™ sistema di scarico e troppopieno

Descrizione del prodotto

Disponibile solo per montaggio a filo top.

Montaggio a filo top: Consiglio per la scelta del piano di lavoro

Consigliamo il montaggio nei piani di lavoro in ceramica, granito, pietra artificiale (per es. Corian o Varicor) oppure in legno massiccio. Sconsigliamo la posa in pannelli di truciolato rivestiti.

Pulizia

La griglietta per lo scarico Desino è lavabile in lavastoviglie e può essere pulita completamente o separatamente fino a una temperatura massima di 65 °C.
