Descrizione del prodotto

con griglietta inferiore

Versione di prodotto, 2 metodi di montaggio

I modelli IF presentano un grande vantaggio: possono essere posati sia a filo top che soprapiano.

Montaggio a filo top: Consiglio per la scelta del piano di lavoro

Consigliamo il montaggio nei piani di lavoro in ceramica, granito, pietra artificiale (per es. Corian o Varicor) oppure in legno massiccio. Sconsigliamo la posa in pannelli di truciolato rivestiti.

Pulizia

La griglietta per lo scarico Desino è lavabile in lavastoviglie e può essere pulita completamente o separatamente fino a una temperatura massima di 65 °C.
