Descrizione del prodotto

Il modello DAN 55IF/12 è un lavandino tipo S

1 versione di prodotto, 2 metodi di montaggio

I modelli IF presentano un grande vantaggio: possono essere posati sia a filo top che soprapiano.

Montaggio a filo top: Consiglio per la scelta del piano di lavoro

Consigliamo il montaggio nei piani di lavoro in ceramica, granito, pietra artificiale (per es. Corian o Varicor) oppure in legno massiccio. Sconsigliamo la posa in pannelli di truciolato rivestiti.

Bei der Planung die Traverse im Möbel beachten!

Faites attention à la barre transversale dans les meubles lors de la planification!

Presta attenzione alla traversa nei mobili durante la pianificazione!

Vom flächenbündigen Einbau in beschichteten Spanplatten raten wir ab.
Nous vous déconseillons le montage à fleur sur des panneaux de particules enduits.
Sconsigliamo il montaggio a filo top in pannelli di truciolato laminato.
